

## **RATIFIED EUROPEAN TEXT**

---

**EN55024:1998-a2**

European Standards only exist formally as national transpositions (i.e. a BS EN for the UK) of a commonly agreed “ratified” text.

This document will shortly be published as a British Standard. It is being made available in advance of its formal publication to give interested parties early access to the technical information which the British Standard will contain.

When the British Standard is formally published it will be supplied to you automatically, without any additional charge.

Purchasers of this document should be aware of the following limitations when using the document.

- The British Standard may contain additional information in the national foreword or national annex,
- Full rights conferred by compliance with the standard may only be granted by reference to the formal national transposition of the text as a British Standard.

This document was approved by CEN/CENELEC in its three official languages on the date given below. Under CEN/CENELEC rules, BSI is obliged to publish its national transposition within six months of this date.
